

Dear Visionary Leader,

Billion Soul Greetings!

I write regarding one of the most exciting opportunities to come to New Zealand. Leading missiologists have concluded that approximately 1.8 billion people have never heard the Gospel. In less than 20 years this staggering number will exceed 2 billion. We will spend centuries to finish *The Great Commission* unless church leaders do something different to synergize our efforts NOW. In similar 2008 summits, key leaders worldwide committed to plant nearly 2 million new churches!

More than 400 organizations worldwide are now partnering together to help *plant five million new churches for a billion soul harvest*. Some are calling this the greatest evangelism thrust in history. By invitation only, key leaders like yourself are being encouraged to join us at the "Billion Soul Leadership Summit" on **March 3-4, 2009, in Auckland, New Zealand at City Impact Church** to find strategic ways to work together, and learn from:

- **James O. Davis** – Cofounder of the Billion Soul Vision, USA
- **Gustavo Crocker**--Eurasia Director/Nazarene Headquarters
- **Suli Kurulo**--Founder of World Harvest Church, Suva, Fiji
- **Peter Mortlock**—Founder of City Impact Church, Auckland
- **Len Sweet**--Renown Author and Leading Evangelical, USA
- **Paul Cole** – *President, Christian Men's Network* in 138 nations, USA
- **Paul Dejong**-Founder of Life Church, Auckland, NZ
- **Michael Murphy**—Senior Pastor, Sydney, Australia
- **Alex Mitala**—General Overseer of Born Again Churches, Uganda
- **James Merritt**—Former President of Southern Baptist Convention, USA

We need your insight and participation so that together we can create an overarching strategy for church multiplication movements throughout Australasia and the world. Our goals are to:

1. *Challenge* the Church to double in size over the next season of years.
2. *Connect* key churches via Internet for global training capacity.
3. *Collect* the best resources and make them available worldwide.
4. *Commit* to unreached people groups in Austrasia.
5. *Choose* a Cochair for every state in Australasia.
6. *Collaborate on the* best methods and models for multiplication movements.

I am requesting that you please make plans to join us on **March 3-4, 2009 by** registering for the Billion Soul Leadership Summit by writing to Zealand@Billion.tv or go to www.BTTR.tv. The registration cost is \$65 online or \$75 upon arrival for the summit.

If you have additional questions, please write to Zealand@Billion.tv or call Matt Cleaver at City Impact Church at (09) 477-0300. We can only accommodate 500 to 700 key leaders participating, so your rapid response is crucial. We look forward to seeing you soon. Blessings!
