COCHAIR Emerging Leaders

Dear Visionary Leader:

Leading missiologists have concluded that approximately 1.8 billion people have never heard the Gospel. In less than 20 years this staggering number will exceed 2 billion. We will spend centuries to finish *The Great Commission* unless church leaders do something different to synergize our efforts NOW.

Key leaders worldwide are now partnering together to help *plant five million new churches for a billion soul harvest*. More than one hundred denominations and ministries are partnering for the greatest evangelism thrust in history. By invitation only, key leaders like yourself are being encouraged to join us at the "*Best To The Rest Summit*," on **November 24-25, 2008, in Suva, Fiji**, to find strategic ways to work together, and learn from:

- **James O. Davis**—Cofounder of Billion Soul Vision, USA
- **Paul Cole**—President of Christian Men's Network, in 140 nations
- **Suliasi Kurulo**—Senior Pastor, World Prayer Center, Suva, Fiji
- **Alex Mitala**—General Overseer of more than 8,000 churches, Uganda
- **Len Sweet**—Renown Christian leader and author, USA
- **Douglass LeRoy**—World Missions Director, Church of God, USA
- **(Oceania Leader from another Island Nation)**
- **(Oceania Leader from another Island Nation)**

We need your insight and participation so that together we can create an overarching strategy for church multiplication movements in Oceania. Our goals are to:

1. *Challenge* the Church to double in size over the next season of years.
2. *Connect* key churches via Internet for global training capacity.
3. *Collect* the best resources and make them available worldwide.
4. *Commit* to unreached people groups in Oceania.
5. *Choose* a Cochair for every nation in Oceania.
6. *Collaborate on the* best methods and models for multiplication movements.

Please make plans to join us on **November 24-26** by:

- **Registering by writing to [Oceania@Billion.tv](mailto:Oceania@Billion.tv)** or go to **Billion.tv** and click on "**Synergize**" for this leadership summit.
- **Pay Registration of Fijian \$20 online or pay upon arrival for the summit.**

If you have additional questions, please write to [Oceania@Billion.tv](mailto:Oceania@Billion.tv) or call to the contact phone in Fiji at \_\_\_\_\_ and ask for \_\_\_\_\_. We can only accommodate 500 to 700 key leaders participating, so your rapid response is crucial. We look forward to seeing you soon. Blessings!
